NOTICES.

Lectures are delivered at the Medical College at Castleton. They commence on the first Thursday in September, annually, and continue fifteen weeks.

Fees for all the courses, $40.—Matriculation fee, $3.—Graduation fee, $12.

The pre-requisites for an examination for the degree of Doctor of Medicine, are three years study in the office of a regularly educated physician, with attendance upon two courses of lectures—the time occupied in attending lectures, being considered a part of the three years. The candidate must be twenty-one years of age, and of a good moral character.

The degrees will be conferred by the combined authorities of Middlebury College, and the Vermont Academy of Medicine, at a Commencement in Castleton, at the close of the lecture term.

TERMS OF ADMISSION.

To be admitted to the Freshman Class, the candidate must be thoroughly acquainted with the grammar of the Latin and Greek languages, and be able to construe and parse any portion of the following books, viz:—Virgil, the Greek Testament, Cicero's Select Orations, and Dalzel's Collectanea Græca Minora. He must likewise be able to translate English into Latin correctly; and possess a knowledge of Geography and Arithmetick, including Vulgar and Decimal Fractions, with the doctrine of Roots and Powers.

It is desirable that those youth, who are studying with a view to enter this College, should use the particular books here prescribed. In extraordinary cases, however, an equivalent knowledge of other classicks will be admitted as a substitute for partial deficiences.

No scholar from another College can be admitted without examination; nor can any such applicant be admitted to examination, without producing from the presiding officer, a certificate of his good standing and regular dismission.
